

NEU

2025 SUMMER PROGRAM

National Economics University Summer Program 2023 consists of two weeks of various classes and educational activities placed in the heart of Vietnam, Hanoi. The whole program is designed to enhance your knowledge of business subjects and especially the local culture beyond boundaries.

You will meet lecturers who are passionate about the topics they teach and research. You will also have the opportunity to visit companies, institutions and especially worldwide famous sightseeing in Vietnam.

**JOIN THE PROGRAM TO BENEFIT FROM OUR EXPERTISE
AND EXPERIENCE WITH US!**

Why NEU?

Founded in 1956, National Economics University is one of the leading universities in Economics, Public Management and Business Administration in Vietnam.

With over **1236** faculty members and staff including

150 professors

611 postgraduates

45,000 students annually at Bachelor, Master and Ph.D levels

NEU always keeps our proud position as:

- One of the top-quality economic and business institutions in Vietnam
- A prestigious center for economic research
- A consulting center in economic and management

To extend your summer experiences and educational opportunities to the max, we are offering the several classes to sign up!
